

TRAVELING TO GUATEMALA WITH PETS

Requirements:

1. Recent vaccination certificate issued by the Veterinarian.
2. International Health Certificate signed by the veterinarian and authorized by the Health Animal Branch of Agriculture Canada.
3. All Documents must be original, photocopies will not be accepted.
4. The Documents must be legalized by the nearest Consular Section. Only those documents that comply with these requirements will be legalized.
5. In order to return the documents please include a prepaid, self-address register envelope or courier service account.
6. The cost of the legalization is \$10.00 USD. We only accept Money Order to the name of the Embassy of Guatemala.

Observations:

- a) The Canadian Food Inspection Agency provides an International Health Certificate Form for Dogs and Cats which your veterinarian can fill out. The form can be downloaded at the following link:
<http://www.inspection.gc.ca/english/anima/heasan/export/petcome.shtml>
- b) The validity period for the documentation is of **15 days** from the day issued.
